Titanya has been teaching Energy Medicine all over the world with her Mother, Donna Eden since 1990. She is the author of *Energy Medicine for Kids and Their Parents Too*, to be published by Tarcher-Putnam in 2017. She is an award-winning speaker, a Waldorf Education teacher and an ongoing faculty member and teacher in the *Eden Energy Medicine Certification Program*. Titanya is also one of the leading experts in the new emerging field of *Life Colors*.

About Eden Energy Medicine

Holistic Health Pioneer Donna Eden has taught hundreds of self-empowering, alternative health workshops throughout the world. Her alternative health book, *Energy Medicine* is a best-seller that has been translated into nearly 20 languages. As a healer Donna Eden has treated over 10,000 clients. She is widely referenced in the alternative health field, and many of her workshop attendees include physicians, nurses, and other mainstream health professionals.

Thank you for your interest in sponsoring Titanya in one of her Energy Medicine Woman programs. We look forward the possibility of participating with you and the privilege of bringing an Eden Energy Medicine approach to your community. We want both of us to work together to provide a very successful event that leaves both of us fully satisfied.

STEP ONE:

Establish a formal agreement with Titanya Dahlin. Before you invest too much time and energy, checking availability from Titanya and a clear understanding of expectations can prevent issues down the road. Titanya will enter into an agreement with you that covers items such as compensation, product sales, reimbursement for expenses, and your responsibilities as sponsor of the event. All written agreements must be signed by you and an authorized Energy Medicine Woman representative. Direct your questions to:

Contact her through the website if you know she is already going to be in your area.

Descriptions of these workshops offerings are available on Titanya’s website: www.EnergyMedicineWoman.com

SELECT DATE AND TIME

When choosing a date, check for any major religious and national holidays and even community events that could conflict with making this event a success.

Discussion regarding event duration include any food and beverage inclusion, sale of Innersource, Eden Energy Medicine books and products, sale of Titanya's products.

FIND A VENUE

Online searches with appropriate keywords can provide a good starting point. Check alternative health publications and local newspapers to view other workshops and class locations. Are there distractions nearby that might attract or distract participants? How far will participants have to travel to get there? Where is the closest airport and is there easy transportation to and from lodging and the event? Is there handicap accessibility? Are there restaurants within walking distance for breaks, etc.

WORKSHOP SPACE

The room is of critical importance. The size of the room is an important consideration, but it should also have:

- Pleasant overall surroundings
- Carpeted spaces are preferred
- Ceiling height in proportion to the size of the room (no low ceilings)
- First class sound system (otherwise that has to be rented)
- Efficient but quiet air conditioning and heat; easily accessible
- Easy access for frequent exits and entrances
- Appropriate and clean restroom facilities
- Comfortable and moveable seating
- Tables for selling products and registration
- A raised stage is preferred to allow all participants to have a full view of Titanya teaching.
- Windows with views but without distractions, natural light is preferred over a windowless space
- Gentle lighting, (fluorescent lighting is not preferred), ability to dim lights as needed (easily)
- Easy access from the venue space to a mostly private and quiet outdoor nature area for some activities on Saturday. Please advise if this is not available at the venue.

POTENTIAL VENUES

- Church
- Community Center
- Hotel
- Resort
- Hall
- Library or Bookstores with Meeting Space
- Theater
- College or High School Meeting or Performing Spaces
- No Senior Citizen Centers Please (This usually limits the attendance potential).

QUESTIONS FOR THE VENUE

- Are the start and end times of the event (including arrival times) agreeable? Generally, allow 2-3 hours before the event for set up and 90 minutes before and after each designated event time.
- Are we fully covered under their liability insurance policies?
- Who is responsible for locking and unlocking the facility?
- Is the space secure when we are not there? Are valuables, massage tables, etc., safe between event times?
- Who is the responsible person on site during our event?

- IS there a sound system or will one need to be rented? If rented, who will be in charge of the sound system?
- Where are the restrooms and are they kept clean and stocked throughout our event?
- Is there handicap accessibility?
- If there are extra rental charges involved, is there a checklist of items covered in that fee?
- Are water stations provided free of charge? Who maintains those?
- Is there adequate free parking there or nearby?
- Is there a selection of nearby restaurants within walking distance if we decide to include a meal break?
- Is there Internet access and is there a charge for that?
- Can we bring in outside food or drink? Is there any capability there for hot coffee, hot water for hot tea and for providing ice water to participants?

YOUR CONTRACT WITH THE VENUE

Whether you are using a free space or an expensive resort, a contract clearly indicates what will be provided by the venue and what is expected. Make SURE your agreement is in writing and thoroughly review it before agreeing and signing it. The contract, deposits and guarantees and liability with the venue are your responsibility. Do not agree to venues that require a portion of ticket sales.

PRICE YOUR TICKETS AND CREATE A REGISTRATION FOR SIGN-UPS

We would like the expenses to be mutually agreed upon for your event. Your role includes handling all registration and tickets for the event. Make sure you furnish you contact information for people to register for the workshop. You will be responsible for collecting money and registration information; including names and email addresses for the required class roster. The complete class roster with this information must be provided within 10 calendar days of the event completion.

STEP TWO: PREPARING FOR YOUR EVENT

Teaching Assistants (TAs)

Titanya uses Teaching Assistants to provide participants with more personal instruction and guidance. These are Eden Energy Medicine trained practitioners or associates who can make a strong contribution to the event. Teaching Assistants are not paid positions. Most want to come for the event itself and for the potential of getting clients for private sessions and their own workshops. They must be approved by Titanya prior to being invited and she will also provide names of people to contact that she would prefer to use. Teaching Assistants do not pay tuition. They also can provide follow up services, study groups, additional classes and private sessions. Private sessions are not allowed during any of the event times or required times that the Teaching Assistant is needed for additional duties, such as product sales, late registration, set up and clean up, etc. Teaching Assistants are generally not responsible for any administrative functions which are the organizer's responsibility. **All Teaching Assistants should have their own table area in a high profile location where they can put out their business cards, event flyers and other related advertising material.**

Based upon the projected attendance of the event and the type of event, Titanya will advise how many Teaching Assistants will be needed and she will provide the list of TAs in the area that are her first preference.

MARKETING

The event organizer holds primary responsibility for marketing the event. Titanya agrees to provide marketing support through an event listing on her website, her Energy Medicine Woman Email Newsletter, and through social marketing on Facebook, Instagram, Twitter and You Tube.

Titanya also agrees to provide the designed graphic for the completed flyer for the event. Any additional promotional expense for print, online media, radio, etc., needs to be mutually agreed upon and then charged to the event expenses.

Any advertising material should encourage people to bring yoga mats, pillows, etc. for possible hands-on floor training for the second day of the event. Make sure this is announced on Friday night as a reminder for Saturday.

PROMOTE THE EVENT

- Titanya can be available for radio station interviews for the some of the weeks prior to the event. Check her availability and mutually agree upon the show and what she will cover that is relevant to the workshop, prior to scheduling any interviews.
- Look for alternative health magazines in your area that lists events, often long lead time is required. Some are free, some are not.
- Mail event flyers (20 each) to every Energy Medicine practitioner in your area with a warm and friendly request to help you get the word out.
- Mail or hand-deliver flyers to massage schools, esoteric retail stores, health food store, coffee shops, community bulletin boards and everywhere that local.
- Mail or hand-deliver flyers to Unitarian Churches in your area
- Complete calendar event listings everywhere available in your area online. Many are FREE but have deadlines.
- Get flyers to all of your own students and clients.
- Promote the event on your own social media pages, your website, newsletter... any and every way possible!
- Send out email announcements
- Feature the event on all the Eden Energy Medicine social media pages that allow you to list your event.
- Post flyers in the local community on bulletin boards and re-do this for about 4-6 weeks until the event takes place (Many retail locations clear their bulletin boards often).
- Use your imagination to get the word out!

CONTINUING EDUCATION CREDITS

These are not available or provided.

PRIVATE SESSIONS WITH TITANYA

Titanya is too busy before and after the event to provide any private sessions of any kind and she does not provide Energy Medicine sessions. She frequently gets asked to do Life Color Readings but she cannot at these events. Refer interested parties to her website to book sessions on Skype.

THE EVENT

SELLING EDEN ENERGY MEDICINE PRODUCTS AT THE EVENT

Most students will expect to find books, DVDs and a few other Eden Energy Medicine merchandise for sale at the event. Every workshop will have different criteria. Selling Eden Energy Medicine merchandise from Innersource is a great way to add additional profit to the event. Contact information for setting up a wholesale Eden Energy Medicine (Innersource) account is here: www.TheInnersourceStore.com/wholesale-distributors/ The Innersource Warehouse Manager will assist you in estimating needs. Please contact the warehouse Manager no later than 45 days prior to the event: Phone (541) 488-7662 or Email: WarehouseManager@Innersource.net

A packing slip will be included with your order and should be used for a beginning and ending inventory. An invoice will be emailed to you, payable 2 weeks after the event to allow for returns of unsold product and balance adjustments. **Please note that credit card services for payment are your responsibility.** There are lots of easy ways to take credit cards on a smart phone. Most students expect to pay for merchandise by credit card. Additional details and tips can come from the Innersource warehouse manager.

Please communicate to Jeff and Titanya which Eden Medicine products you plan to sell. Minimally, we suggest selling **Eden Energy Medicine** books and introductory DVDs.

SELLING TITANYA’S ENERGY MEDICINE WOMAN PRODUCTS AT YOUR EVENT

You will be provided a list of suggested products that Titanya has available that fit the particular workshop. And you will be offered a wholesale price for those plus a suggested retail price. Place your wholesale order 45 days in advance. Make sure you inventory your order when it arrives and any inventory left at the end of your event can be shipped back at your expense within one week after the event. ROOM SET UP CHECK LIST

STAGE: Ideal size is 24' x 12' x 16" – If no stage is available, please contact Titanya to discuss this and mutually agree upon a solution.

MOVEABLE SEATING: 8' to 10' from the stage -theatre style ("chevron theatre style" is preferred for Friday night). Saturday generally all seating should be on the perimeter, but check with Titanya regarding which event is being hosted.

(1) SMALL TABLE ON STAGE for Titanya's Supplies and Ice Water

(1) CHAIR ON STAGE FOR TITANYA (2 chairs if she has a co-presenter)

(1) ADDITIONAL CHAIR FOR DEMONSTRATIONS

(1) MASSAGE TABLE FOR DEMONSTRATIONS

MICROPHONE NEEDS: (1) Wireless Hands-Free Microphone (2) Wireless Hands-Free Microphones if there is a Co-Presenter and (1) Hand-Held Microphone, **VERY IMPORTANT:** Make sure everything is tested and works perfectly. Make SURE you have a trained, experienced AV person from Venue or from the Rental Company.

SOUND SYSTEM: For the Microphones

SOUND SYSTEM OPERATOR: A full time experienced AV sound person is required.

SOUND CHECK: 30 minutes prior to opening the doors to participants, gather the presenters and the Sound Technician to do a sound check to assure everything is working properly at the right levels.

AMPLIFICATION CAPABILITY FOR AN IPOD IS CRITICAL.

REGISTRATION TABLE NEAR THE DOOR FOR LATE REGISTRATIONS (And someone stationed and designated and trained to handle this quietly).

SYSTEM SET UP FOR CAPTURING NAMES AND EMAIL ADDRESSES OF THE ATTENDEES: Note that *Brown Paper Tickets* online registration will not account for the purchase of multiple tickets and capturing all the email addresses, only those of the purchaser. And names and email addresses of walk-ins will need to be gathered by hand. Usually several clipboards with a simple form to fill out will suffice... just make sure they are being filled out immediately upon entrance so no one is missed. Make sure any forms that are filled out are legible!

WAIVER AND RELEASE OF LIABILITY FORMS: We will provide a master form to be copied listing both the Presenter(s) and the Organizer. Make sure these are filled out, dated and signed completely as the participants arrive as a requirement for everyone who is in attendance at the workshop... Teaching Assistants and any staff included. Release of Liability forms do not replace insurance or offer legal protection... it is just a precaution to help keep liability issues from happening.

NEARBY BATHROOMS AND ICE WATER SHOULD BE READILY AVAILABLE AT ALL TIMES: Make sure someone is keeping restrooms cleaned and stocked throughout the event and someone is keeping water stocked at all times. If it is easy to do for the Saturday portion of the workshop, students really love having coffee and an assortment of hot teas available.

PRODUCT TABLES LOCATED AWAY FROM THE PRESENTATION AREA, OUTSIDE THE ROOM.

- Two tables, one for Eden Energy Medicine Products and one for Titanya's products.
- Order forms at each table. You can download Eden Energy Medicine modifiable order forms from the Innersource online store. Titanya's product order forms will be provided with your shipment.
- Tables should be set up and open for business as people are arriving, at breaks of more than 5 minutes and after the event for at least 30 minutes.
- Bring table clothes or sheets to cover the tables when they are not open for business. This will discourage participants from trying to purchase items when they should be in the class.
- **CREW OF TRAINED TEACHING ASSISTANTS** will be needed to staff the product tables. Teaching Assistants should be used to help explain products. Plan ahead for who this will be and when they need to be stationed, covering every detail of their duties. Usually 3-4 TAs are needed just for the product tables.

PAYMENT TABLE with 2 PEOPLE TRAINED AND ASSIGNED TO HANDLE IT

- Once order forms are filled out, customers can bring the merchandise to the payment table to pay with cash, check or credit card.
- Make sure you have a system to accept CREDIT CARDS tested and ready to go without any issues.
- You will need merchandise bags... you can purchase those supplies from a large Office Supply store such as Staples or Office Max.
- **RECEIPT BOOK...** Some participants will ask for a receipt for their purchase. Buy something simple from an office supply store and have it available.
- **PENS & CLIPBOARDS** ...Make sure you have plenty of working pens and several clipboards so people can easily fill out their forms.
- **FLIERS AND BUSINESS CARDS for the Organizer and for Titanya and Eden Energy Medicine Events.** Designate one area with high visibility or organize these with the product and registration tables. Do not allow any outside advertising flyers, business cards, etc.
- Titanya will provide an **Energy Medicine Woman** banner to display prominently at the event. This must be mailed back to Titanya with any remaining products.

FRIDAY NIGHT: 90 minutes to 2 hours before the event, plan on a meeting at the space with the TAs, Titanya and any staff to assure everyone knows their responsibilities.

SATURDAY MORNING: 90 minutes to 2 hours before the event, plan on a meeting at the space with the TAs, Titanya and any staff to assure everyone knows their responsibilities.

NOTE: Titanya may also create a **ZOOM** meeting online with all of the Teaching Assistants, the Organizer and any Associates prior to the live event.

30 MINUTES BEFORE OPENING THE DOORS TO START THE EVENT

- **SOUND CHECK:** Gather the presenters and the Sound Technician to do a sound check to assure everything is working properly at the right levels.
- **Titanya needs a private area or room where she can be alone to focus on being ready to present.** A private comfortable room nearby where no one else is allowed can be perfect. Have someone assigned to escort her quietly to the stage when you are ready for her to begin.
- **Have someone assigned to meet Titanya to escort her from the private area to begin the event.**

- **As the host, it is your duty to introduce Titanya and to make brief announcements and then introduce Titanya to the participants.** She will provide you with a short paragraph of introduction. Housekeeping announcements prior to introducing Titanya include location of restrooms, availability of all the products and where the tables are, where to get water, not leaving valuables in the room, turning cell phones to silent modes, about any breaks and the protocol for asking questions during the presentations... discuss this with Titanya prior to the event. Also you can let the participants know they will have a chance to chat with Titanya and the end of each day.
- **Make sure Titanya has plenty of ice water** or cold bottled water available at her table on stage.
- **Staff and Products in Place:** Make sure all the tables are perfect with order forms and clip boards and have your assigned TAs and staff there at their station at least 15 minutes prior to opening the doors.
- **Bathrooms:** Make SURE the bathrooms are well stocked and clean.
- **Water:** Make sure water is fully stocked and available.
- **Payment Table:** Make sure the table has a closable cash box of some sort and that it is stocked with a cash bank of \$300 in 10s, 5's and 1's. Make sure the credit card system is operational and ready to go. Make sure a responsible TA will be keeping the cash box in a secure place after the payment table closes between times the workshop is happening.

EVENT PROFIT AND LOSS

- Hosting a workshop event with Titanya can be a very rewarding endeavor and a wonderful experience, but let us not forget that it is possible to lose money if you are not careful. There is risk with any event.
- Before you sign the event sponsorship agreement, make sure you have taken the time to fully estimate and budget every portion of the event. There is nothing worse than spending tons of time and money to put on a great event that makes no money or loses money!
- Review your final event budgets and projections with Titanya and Jeff before making your final commitment.

FREQUENTLY ASKED QUESTIONS ABOUT THE EVENT CONTENT

These questions are frequently asked by potential participants. Be prepared in knowing these answers.

Q. What does Titanya cover in the Friday night introductory session?

ANSWER. With the Energy Medicine for Kids workshop, Titanya and or her co-presenter will cover some of basics of what is Eden Energy Medicine and how it relates to children, plus some examples of exercises and topics to be covered on Saturday including Energy Medicine Dance, Life Colors and more. Some simple techniques will be demonstrated using randomly selected individuals from the audience. Titanya uses a combination of demonstrations, fun songs, interesting and humorous stories and meaningful examples. She will show how energy naturally flows through the body and has a profound impact on memory, mental clarity, health, resilience and the difference between fatigue and exuberance.

For other workshops other than Energy Medicine for Kids, Friday night is the first part of the entire workshop and so what she covers will vary by workshop subject.

ANSWER: Friday night is filled with lots of fun interaction with Titanya for adults, teachers and caregivers of all ages. Much of the information is taken from Titanya's soon to be released book, *Energy Medicine for Children and Their Parents Too!* Any adult or teacher can also attend alone as well, just know that much of the presentation is geared toward interaction with children. Covered subjects and activities include; empowerment for children with games, songs, easy exercises, poi balls plus hands-on make your own poi balls instruction (all the materials will be at the workshop), plus lots of upbeat fun for both the children and their caregivers. Q. Can questions be asked during workshops presentations?

ANSWER: There is always an easy flow between Titanya and participants. Questions do emerge as part of the flow and should relate to what is being taught. Personal questions should be directed to the Teaching Assistants when they are interacting and during breaks. Personal health questions during presentations can be distracting and shift the focus of the class, so please hold those or request a private session from an Eden Energy Medicine practitioner.
